

Next Steps

National AAROM Meeting
November 21, 2019

Session Objectives

- Outline and discuss next steps, including reporting back on meeting results and activities for this coming year, including planning for next National AAROM meeting.

Moving Forward

- The Steering Committee will look to:
 - Gather and disseminate key recommendations and next steps from each session to create a final report
 - Circulate final report and meeting materials to all participants and upload to the AAROM marketing and partnership toolkit website
- Beginning in early January 2020, based on input from this meeting:
 - DFO will launch the AAROM Fund
 - Capacity assessment and development activities and/or workshops will begin
 - The AAROM marketing and partnership toolkit will go live, along with other content co-development activities

Next National AAROM meeting

- Continue with Steering Committee of Indigenous AAROM program experts
- Planning to hold next meeting in Northwest Territories
- Need feedback on timing of upcoming meetings (yearly cycle)

Time Frame	Considerations
September to October	Moderate travel conditions Proposal season Aligned with DFO Planning cycle
January to February	Poor travel conditions Near year end Less field work Recommendations implemented in following FY
May to June	Ideal travel conditions Site visits Field seasons Less meetings (in general)
